

Mrs. Tropf's Newsletter

March 21, 2013

Dear Kindergarten Parents,

In the past month we've had great days of learning with our special Dr. Seuss birthday celebration, our Letter People party, a differentiated instruction science unit on the five senses, our Bible lessons, and our recent math lessons on measurement. There's a whole lot of learning going on around here!!!!

The days are flying by and next week is our spring break. HOORAY!!! The children are ready for some much needed rest and play time at home. The change of pace will be good for all of us. Hopefully my students will return healthy, refreshed, and ready for the "home stretch" of our school year. Here is a glimpse of our curriculum when we return from spring break:

Bible

We will finish the Easter story and tell the events following the resurrection of Jesus, as recorded in the books of Matthew, Mark, Luke, and John. There is no memory verse to recite this week, so enjoy the little break.

Math

Students will practice using problem solving skills like logical reasoning and work with real graphs and picture graphs.

Social Studies

We begin our final chapter in the curriculum and learn about "Stories of the Past". This will include a discussion about American holidays and festivals.

Language Arts

Here is the sight word list again for April:

**INTO RIDE NOW PLEASE WENT WILL

Remember to send the sight word ring and plastic purse back to school on Tuesday, April 2. Thanks!

Tomorrow is our Resurrection Party in the afternoon. We will celebrate the true meaning of the Easter season and Christ's love for each of us.

After spring break the new Kindergarten Star of the Week will be Luke Schoen.

Don't forget to keep those Box Tops coming in! We'd love to win the final contest of the year and earn that special recess with Mrs. Ashbaucher.

A permission slip for our field trip to Wildwood Metropark on April 19 will be attached to the newsletter that comes home on April 4. Be sure to sign and return it ASAP!

I hope you and your family have a wonderful spring break as we look forward to the coming resurrection of our Risen Saviour. **HE IS RISEN!
HE IS RISEN INDEED!!!**

In His Love,
Mrs. Tropf

**Happy
Easter**
