

# Workshop Showcase

*This event will take place on **Tuesday, October 8th 2019**. Please list any items you think you will need to promote and present your workshop by **Sunday, September 22nd**.*

WorkshopTitle:\_\_\_Presentations: 21<sup>st</sup> Century Issues

Teacher(s):\_\_\_Angela Kent Louise Zaaijman Richard Meech

Layout is below: the long shapes are the display boards and the squares are the tables with the laptops on them.

I don't know if the students will let us use their laptops for this as they will be having classes that Tuesday. That is why I have asked for some Laptops which I know is a big order! Otherwise could I have desktops instead of these?

I will need to put a number of posters on the display boards and I have some A4 size images. The images need to be laminated -

Is there a laminating machine in the TRC room?

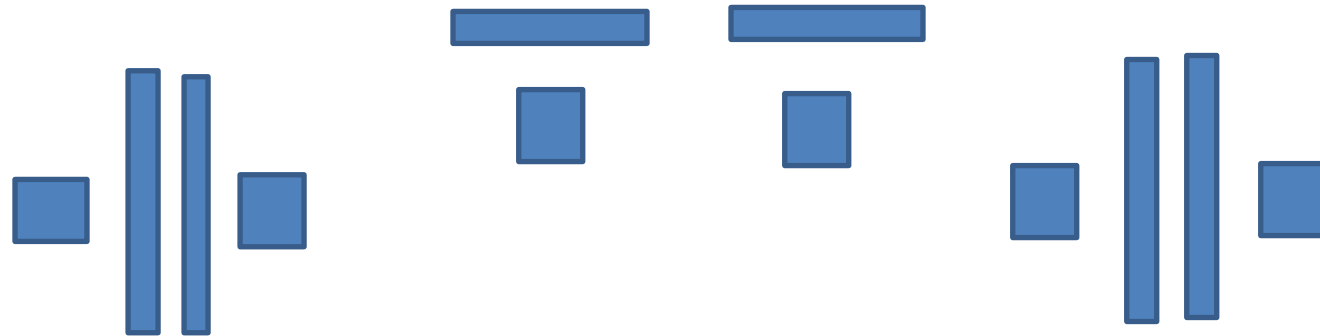

{ Please list everything you envisage you may need, e.g. # of tables, chairs, display boards, power supply , cables such as HDMI etc.}

*You can draw a diagram of your desired layout if you prefer.*

### Items requested

- # 6 display boards
- # 8 chairs
- # 6 laptops (see my note above)
- # 6 cables for power supply

Layout
